

## **PROGRAM EXPETATIONS**

Thank you for inquiring about our program.

We believe, our early sobriety balances on peer support with like-minded people.

Our multi-phase program starts with 40 days in duration, and you are expected to,

- Enter into a personal contract “application” that you will not drink or use drugs. You will be subject to random drug and alcohol tests. A drug test fail can result in immediate removal from program and property. Ownership and accountability for the choices we make are a forefront in all our programs.
- All House, Group, and Outside meetings are mandatory during this time,
- You will be and stay active in “chores” that consist of normal reasonable household cleaning. Chores rotate from client to client at set times.
- No personal vehicles are permitted on property until after 40 days unless otherwise permitted by head staff members.
- Must find a local sponsor and peer partner with more sobriety time the you.
- After two weeks into this program you are required to start finding a job.
- You are NOT to leave the property unless with staff.

StraightEdgeInc.org

- Passes are permitted but only after, client has a job, locally sponsored and steps are being worked on and Program fees are at a \$0 balance.  
Manipulation of this privilege may result in termination from program.
- To subsidize our entry fees and beginning program fees we ask for food stamp donations from all in house clients.
- Program prices vary to meet the needs of each individual. As we have seen what works best for one does not work best for others. We are equipped with single and shared rooms in two locations on the property. Availability is not guaranteed.
- Participants have access to house phone and a computer for internet training and research.
- Transportation is provided.
- After working and at clients first pay period, client is to pay driver \$5 for driving services.
- All client staff must report all matters regarding the breaking of house rules to program manager. Matters are handled on a case-by-case basis. I.e. pull-up in group, voting, extra chores, and can lead to immediate termination.
- House managers, program managers and paid staff are in charge of respective homes. All grievances are to be reported to program manager.
